6.7 Hand Washing Procedure

Good hand washing must be practiced by everyone within the Pre-School. The following must be done:-

Before;

- Preparing, serving or eating food

And after;

- Going to the toilet
- Dealing with ill children
- Handling sick children's clothing
- Cleaning pet living and sleeping areas
- Hands have been licked by animals
- Preparing food
- Contact with bodily fluid substances such as, urine, faeces, vomit, sputum or blood

Warm water, soap and paper towels are available in all bathroom and kitchen areas.

Wet hands under running water before applying soap.

Apply soap and wash hands vigorously for 15- 20 seconds.

Particular attention should be paid to thumbs, fingernails and between the fingers.

Hands should be dried thoroughly after washing.
